Nathalie is the Creator of the Business Prosperity Game™

You may have heard of the “Prosperity game”. Taught by many coaches and consultants, it actually originated from ABRAHAM via Esther and Jerry Hicks.

Nathalie’s Higher Self recommends the **Business Prosperity Game™**. It is as easy as A, B C. It doesn’t require any fancy tools — just a pen and paper, and a few minutes to play. You can play it every day and see tremendous results “magically” happen.
